Tresidder Memorial Union is located at 459 Lagunita Drive, Stanford, CA. It is adjacent to the Faculty Club and near Dinkelspiel Auditorium and near Old Union.

The nearest visitor parking lot is located next to the Tresidder Union, between Mayfield Ave. and Lagunita Dr. Other parking lots can be found [here](#).

There are several payment options for parking through which you may purchase up to 8 hours of parking using credit cards, debit cards, cash or coins. These machines do not issue change, so it is recommended that you bring exact change or a credit card. The receipt should be placed on the dashboard face up. Parking is enforced Monday–Friday, 7:30 am–4 pm.

Please note that parking on campus is very challenging and we recommend visitors to use [public transportation](#) or shared rides.

### Directions to Tresidder

Tresidder Union is just across the street from parking lot.
